## SUMMARY

---

I am a final year student majoring in Information System at Brawijaya University with prior internship experience as a Web Developer. I have a strong foundation in programming and a passion for creating dynamic and user-friendly websites. Proficient in programming languages such as HTML, CSS, SQL, PHP, and JavaScript. I have a growth mindset, excellent attitude, and am always eager to learn and gain more experience. I enjoy collaborating in teams and sharing my learnings with others. Furthermore, I am a quick learner and adept at adapting to new technologies and methodologies.

## WORK EXPERIENCES

---

### PT. Telkom Data Ekosistem (NeutraDC) – Jakarta, Indonesia

*Web Developer Intern | Feb 2023 – July 2023*

- Developed an admin dashboard to store rack occupancy data for 18 Telkom Data Center offices in Indonesia, resulting in increased efficiency and data accuracy within the company using PHP and MySQL.
- Ensured and maintained optimal website functionality and user interface.

## EDUCATION

---

### Brawijaya University | 2021 – 2024 (Expected)

*Diploma degree, Information System Major; GPA 3.77*

- Developed personal projects using HTML, CSS, and JavaScript to create responsive and user-friendly websites.
- Experienced and skilled in using frameworks such as reactJS, Bootstrap, and jQuery. Contributing to personal and open-source projects on GitHub.
- Utilized version control tools such as Git to manage and collaborate on code repositories.
- Demonstrated strong problem-solving skills, efficiently identifying and resolving issues.

## ORGANIZATIONAL

---

### Nol Derajat Film – Malang, Indonesia

*Staff of Internal Resource Development | Feb 2022 – Dec 2022*

- Demonstrated strong leadership skills as the deputy chairman of the intimate night work program, effectively managing relationships between Nol Derajat Film members and attended by over 100 participants.
- Responsible for empowering, developing, controlling, and evaluating the performance of the entire Nol Derajat Film members.
- Organized and contribute to the overall success of the organization and successfully implemented over 5 impactful work programs for Nol Derajat Film members.

## Himpunan Mahasiswa Sistem Informasi – Malang, Indonesia

*Intern Staff of Communication and Information Center | Okt 2021 – Dec 2021*

- Experienced in using Photoshop and Figma to create all the designs required to provide important information.
- Delivered 20+ captivating and innovative design materials through social media platforms, resulting in increased engagement and expanded reach to a wider audience.
